BLOG

Hello and Welcome to my Blog site, Today, I want to share some information about my free time activities such as camping we do at our free times with friends. We go camping near the Mediterranean Sea. We are five people, so we share duties at the camp site during the time we spend there. Generally, our camp is for 2 nights. One of my friends, Ahmet burns the campfire with matches. The others help me pitch the tent on the first day. Ege prepares the meal for lunch and Hasan gets the dinner ready. Around the campfire we sit together and sing songs of impressive singers. It is a lot of fun and also it is very relaxing activity.
